

EASYEARNEST

FAST. SECURE. EASY.

Earnest money has never caught up to technology, *until now.*

FAST.

No more waiting on checks to be delivered to the real estate or title office. With Easy Earnest, your earnest money transfer is completed electronically in minutes with everyone involved receiving an electronic receipt upon completion.

SECURE.

Remove the liability of storing and transporting account and routing numbers on paper earnest money checks. With the highest level of security in our industry, our Easy Earnest processor is PCI Level 1 and we transmit all data securely to the processor.

EASY.

A few clicks and you're done. Save time by removing the paper check from the transaction. No more driving around wasting precious time and money. Provide value and convenience to your agents and buyer.
